It's time—another ringette season is here!

The Portage Thunder Ringette Association is thrilled to welcome back our Thunder players and can't wait to see new faces hitting the ice in every age group of our dynamic co-ed sport.

Ringette is a high-energy, fast-paced team game that's perfect for all skill levels. Whether you're brand new to the ice or already confident, there's a place for you here.

Our association is proud to offer a safe, inclusive, and supportive environment where kids and teens of every age and gender can learn, grow, and love the game. In partnership with Ringette Manitoba, we provide top-notch skill development programs led by NCCP-trained coaches right here in Portage—plus exciting opportunities to compete in the Winnipeg Ringette League (WRL).

Come out, have some fun, and lace up your skates. Bring your friends—or meet new ones—and discover what ringette is all about.

Whether it's your child's very first time on skates or they're already confident from other ice sports, this event is for everyone. Our instructors, coaches, and older Thunder players will be on the ice to help and make sure everyone has a great time.

After the skate, we'll share information about how the season works, including practice and game times, and answer any questions you may have.

We can't wait to see you on the ice!
