Scarlett Butler is made up of, two of Canada's most celebrated songwriters and real-life couple, Joni Delaurier and Troy Kokol. This Canadian duo has quietly shaped the Country and Americana landscape, writing more than 300 songs for artists including Shane Yellowbird, Tenille Townes, Brett Kissel, and The Higgins.

But for Scarlett Butler it's the start of something more intimate, more exposed, and all theirs. Their debut album *Until Now*, coming in 2026, is the sound of love, longing, and finally stepping into the spotlight.
