We look forward to seeing you on the links!

***All funds raised will support the
Shawna North Memorial awards program.***

Shawna North, an avid golfer and a career employee of Sask Polytech, passed away in 2019. In honor of her dedication toward student education and her philosophy of fairness for all, a student awards program will be developed to continue her legacy at Sask Polytech.

The Shawna North Memorial fund will support student bursaries and scholarships named in her honor. Student award programs help to remove the financial barriers that many students struggle to overcome. Access to and the ability to succeed in post-secondary education should be fair for all, and the Shawna North Memorial student awards will help to achieve this.
