Camp Speaker: Garth Priebe

Hi friends... Karen and I are both learning the joys of running again—not only together but “Running with God’s Heroes”, which is our camp theme. We will look at a few of the Bible’s heroes with you together in Cypress Hills. We will see what it would be like to run with them as we learn important life lessons from ordinary people like us.

We both have a passion to run the race of life, whatever we face, with Jesus as our mentor and running partner. We hope that we can pass on a bit of that journey to you on this family camp weekend. Karen has numerous 5K races she has accomplished over the years.

I started running this year, after 38 years of not, because I lost a bet with Karen how long it would take us to do a hike in Banff last summer. Karen is in fact running in the High Altitude race in Cypress the family camp weekend.

As Karen and I work in the hospitality industry at the Home Inn & Suites, we strive to bring our faith into everyday life moments. We have journeyed together for 34 years. I work with Swift Current Legionnaires as a HMI Chaplain. I continue to speak almost every Sunday, filling in for pastors who need someone to share God’s Word in their church. Karen & I work together helping others in their personal journeys.

We have two grown daughters. Elise is married to Michael, and they have two children: Michael Jr. and Abigail. Our other daughter, Heather, works for a wedding planner and Boston Pizza in Swift Current.

As we journey through life, our goal is to come alongside people to help them grow stronger in their own personal journeys.

Let’s remember that
“for me to live is
Christ and to die is
gain.”
