

# KOATS

for  
Kids

**OCTOBER 17th - NOVEMBER 17th, 2020**

As we kick off our program this year the United Way Koats for Kids is grateful for the assistance and support of The Hub, the Morden Fire Department, and the Morden Mennonite Church.

Each year around this time we get organized to accept donations of gently used coats, snow pants, and outerwear that we present and distribute to those within our community who need a bit of extra help keeping warm this winter. If your kids have outgrown their snowsuit or are just tired of that parka, why not let it move on to someone who can make good use of it.

**Drop off at the BIG Red Bin - now at two locations**

**Morden Fire Hall (behind the fire hall at the shed)**

**Morden Mennonite Church (363 Gilmour & 8th St. - back door)**

## **DISTRIBUTION DATES**

Note: Distribution location has been changed this year and will now be at The Hub - 363 Gilmour & 8th Street - back door of the Morden Mennonite Church. There is no charge for any of the clothing that has been collected and all are welcome.
